Australian International Design Tours (AIDT) is pleased to announce an International 12-Day Design Tour to Salone del Mobile, Eurocucina and The International Bathroom Exhibition, plus a visit to the world's leading hardware manufacturer, Blum, in Austria and renowned surfaces manufacturer, Cosentino, in Spain. You are invited to participate in this unique experience hosted by AIDT and supported by Blum Australia and Cosentino.

See the very latest releases in kitchen design, appliance technology, bathroom fittings and fixtures, the latest lighting concepts, and furniture design. Plus enjoy true Austrian hospitality while gaining insight into Blum's manufacturing, distribution and development operations. Then go on to Cosentino's headquarters in the south of Spain to discover the world of new surfaces and take part in an exclusive industry workshop based on your experiences in Milan.

Salone del Mobile – The Show

Salone del Mobile is Europe's premier interior design show and attracts more than 350,000 international visitors every year. Held biennially, Eurocucina and Salone Bagno (The International Bathroom Exhibition) have become an integral part of the show's offering. With the addition of the Future Technology for the Kitchen – FTK (appliances) section, the show is a must-see for anyone in the kitchen, bathroom or interior design industries. Exhibitors come from around the world to show off their design flair, creativity and innovation. The show also comprises Euroluce (lighting), SaloneSatellite (young designers), furnishings, fabrics, interior design, and furniture.

Blum – Austria

Located in the scenic corner of Austria, Switzerland and Germany, Blum Austria's manufacturing and distribution center offers visitors a rare insight into the world's best hardware manufacturer. Explore the intricate world of Blum's vast range of hinges, drawers and lift systems and discover what lies behind the mesmerising motion of Blum products. See first-hand the quality and efficiency of Blum's componentry while enjoying the spoils true Austrian hospitality has to offer.

Blum's headquarters in Höchst.

Cosentino's headquarters in the region of Almeria, Spain

Cosentino – Spain

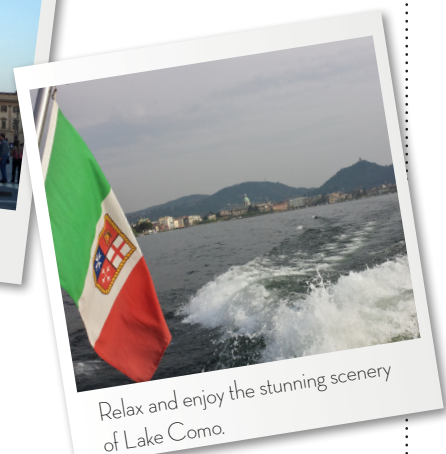

Cosentino is renowned for its Silestone product and the recently-released Dekton surface. Based in the region of Almeria, Spain the company operates around the globe. The company continues to increase its product range from Silestone reconstituted stone to include sinks, baths, shower trays, countertops etc... This visit is an opportunity to see Cosentino's production facilities at close range and marvel at the company's investment in research and development, while enjoying Spanish hospitality at its best.
